Subject: Public Accounts - Technical Briefing Presentation

Attachments: Public Accounts Technical Briefing 201617_Sept 5_Draft_v5_speaking notes....pptx; FHP Communications Plan_Sep 6.docx

Kim,

Please find attached the deck for today's meeting at 3:30 and the technical briefing tomorrow. The Ministry of Finance and TBS will expect you to walk through your notes on what you plan to say at tomorrow's technical briefing associated with these documents.

For your reference, I am attaching the KM and Q&As that were used with the board. We've updated them slightly based on further conversation this week.
