Hi Kim,

I'm not sure if you happen to be in yet, but if you are, would you be able to print 5 copies of the attached documents?

My train was delayed and I am walking up, but I probably will be late for my 8:30 meeting.

Keley,

Please find attached the revised version of the analysis completed by the IESO. One covers the LTEP 2013, and the other compares to both LTEP 2013 and OPO 2016.09.20

Regards,

Jordan

Keley,

We have updated our analysis to now include the cancellation of the EFW procurement, as well as some further refinements to the analysis.

Cheers,

Jordan

Hi Jordan,

Attached is a revised backgrounder for discussion this afternoon, reflecting feedback from the MO. We are also working on another change the MO just requested which would ripple through all materials but we may have to walk that in.
