Hi Andrew,

All good questions.

Send me the note and i'll try and review tomorrow, but give me a deadline foe when you need to circulate. If I don't get back to you in time, just circulate it anyways. Bruce and I will be on a plane at 4:00 tomorrow afternoon on the way home.

Glenna can give you the latest on the meeting with PWC re greenbank, and she can also give you the latest on OEB RPP Pilots, include our concerns with the latest directive.

I'll flip you the latest rate mitigation deck, and then in the note all you'd need to reference is that we had a meeting with the Premier today, and the deck is attached. It's mostly a follow-up.

Let me know if you need anything further.

Jordan

Hi Jordan,

How do you want to handle the DM note? The meeting is Friday morning at 9:45am.

Will you have time to review tomorrow? Do you want Tam to review in your absence?

Also... do you have any insight into Green Bank, OEB RPP Pilots, or Rate Mitigation (I know a bit here)?

Sorry to add to the insanity right now by throwing this at you last minute.

Andrew
