Hi,

We all work on external IESO communications related matters, whether it be Save On Energy, website, or the core IESO brand. While we do try and keep each other in the loop as best we can, it occurs to me that there may be opportunity for us to do so in a more regular and coordinated manner. So with that in mind, I've scheduled some bi-weekly meetings for each of our groups to walk through our plans for the weeks and months ahead, talk about strategy, and see if we might be able to coordinate on some of our objectives.

Let's see how the first few meetings go and determine if any adjustments to timing/frequency are necessary.

Cheers,

Jordan
