FYI - my apologies for leaving you off the original. I was a bit rushed this afternoon and just remembered now.

Terry had suggested I send it to him and Tam concurrently for review. If you have feedback, there's still time to make edits.

Terry/Tam,

My sincere apologies for the delay to both of you. Please find attached the updated Government Affairs Environmental Scan for the Board.

Please let me know if you have any feedback, or would like to discuss.

Cheers,
