I expect that after February 16, there will be more to add to this note.

Do you think there will be an opportunity to update post rate mitigation? Or, will this suffice?

I am good with this ... it does look similar to last year with an increased focus on 2018 election and what we can expect to see over that period.

Terry/Tam,

My sincere apologies for the delay to both of you. Please find attached the updated Government Affairs Environmental Scan for the Board.

Please let me know if you have any feedback, or would like to discuss.

Cheers,

Jordan
