Hi Andrew,

Can you reach out to Kim Marshall (cc me) and explain that this is on the agenda for next week's meeting. Let her know that you can include something in the note if she sends it along, or she can send it directly to Bruce.

Talk to Glenna re: OCCSDC and note that it is on the agenda for Terry.

Cheers,

Jordan

Hey -- for rate mitigation, last time we didn't include anything because Bruce is so heavily involved. We said something like "discussion about ongoing rate mitigation issue". Keep it the same this time?

And for the OCCSDC -- is Bruce also heavily involved in that or should we have notes? If so, would it be you or Glenna who can help me with that?

Thanks,
Andrew
