Hey,

I don't have PPT on my personal computer, so here are some bullets in a Word document to put on a slide. It's a few too many than you'd want, but I thought I'd let you choose what you want to include.

Hey,

If you end up having time tonight to pull together a draft context slide or two for the Board meeting. Here are some materials for your consideration. If you don't have time, no problem either.

Cheers,

Jordan
