Kim took no questions. Nothing urgent you should know from media Q and A. No market renewal Qs.

We might need more in terms of how the GA financing works. Kim and Jeff Lyash made it clear they know how this will work. We should talk to Kim for details. If I'm heading back w her ill get some info.

Kim said we would be collecting less from LDCs and the difference would go to OPG to manage.

OPG said they would manage through mix of liquidity and debt and this is a similar underlying approach as exists in many other places in the states.
