Well, changes to OESP is part of the fair hydro plan and the IESO manages it for the OEB (collection, distribution, variance and reporting). My understanding is the financing is moving to provincial revenue like the RRRP (another program we manage in the same fashion as OESP). I assumed if you were doing RRRP then your team would do OESP too.

Any idea who is responsible for OESP changes?

Hi Ted and Jeanette, would you be able to come down to the Ministry so we can walk you through what we're are thinking about so far on the mechanics of RRRP and the First Nation Delivery credit?

It would be good to have a face to face meeting, and we're happy to host. This Friday afternoon is looking pretty clear (anytime after 1)

Thanks,
-Sunita
