I would send a note to Kim that this is on the agenda (cc terry and Chuck) and see if she will have anything that she can provide in terms of an update for Bruce before his meeting with the DM on Friday. As an aside, there is a working group meeting tomorrow, in which she is participating.

Do you have any information on the Ontario Fair Hydro Plan? Which I assume is about recent discussions around GA refinancing?

Hi Andrew,

The MDMR item was regarding an update from IESO on Smart Metering Entity licence conditions, and next steps for implementing third party access to MDMR data.

Let me know if you have any further questions.

Thanks,

Jeet

Hi Jeet,

We would to add:

- Linking Aboriginal Community Energy Plans, Aboriginal Funding and IESO Conservation Programs
- Proposed Amendments to MACD's Investigative Powers

Can you clarify for me what the DM wants to talk about regarding the MDMR?

Thanks,
Andrew
