Hi Tim – I have added some additional changes. I'd really like to make sure this is less than ten minutes before we send it to Terry for review.

Mary took a stab at truncating the remarks. It's now closer to the 10 min mark, so additional cuts can be made. The "context" portion of the address might be a good area to make further deletions as needed.

Good afternoon –

Attached for your review are Terry's draft remarks for Monday's Stakeholder Summit. Rob, I've made some very minor changes from the version I sent earlier this morning.

Please review and provide your comments. My aim is to get this to Terry tomorrow (Wednesday).

Tim
