Hi Terry,

We updated the letter based on your feedback. Some items of note:

- changed “ambitious” to “important”.
- removed the “up to the challenge” language.
- The section that discusses Peter’s initial priorities are pulled from his internal email and speech to the IESO staff. They can be removed, but thought it best to explain where they came from.
- “Public value” was included in the Minister’s original letter, but it has been changed in the response to simply reflect “delivering on IESO’s value to Ontarians”.

Let me know if you are ok with the current version, otherwise we can make additional changes.

Cheers,

Jordan
