Subject: Update on the FHP Comms Plan and Business Plan Letter to Minister

Terry/Chuck,

We're still working on drafts of both the FHP comms plan and the Business Plan letter to the Minister. We're just cleaning them up a bit before sharing them more broadly.

In the interest of time, I've attached the latest draft of the Business Plan letter to get your initial feedback. We should have a cleaned up version later this afternoon.

The FHP comms plan needs a bit more work, but I should have a draft to you both by end of the day.

Both materials are scheduled to go to the board on August 15, so we'll probably have to get them finalized by Tuesday/Wednesday next week.

-Jordan
