Sam/Karen:

Staff have reviewed and made some (tracked) edits/comments to the materials. They are ADM approved.

We wanted to flag that ESP should review the Call Centre doc as there is a section on FHP (wasn't cc'd in the ADMO so didn't get it in time to know to flag for ESP – sorry about that)

Matt

Hi all,

I have attached the materials that MOECC sent to CO. I would note that we have not been asked for formal review of these – they were provided as an FYI, with the promise that MOECC would share finals later. However I would suggest that Policy review nonetheless, and if you have concerns that you flag so we can get back to MOECC.

Many thanks,

S.
