Thanks, agree on inquiries going to Terry, they should go to Kim and media to Terry (I think he said he still wants to be point on this)

For the employee email Peter did ask that if it is sent it come from him

I will respond to Kate

A couple additional considerations for you:

- Do all inquiries about this need to go to Terry – or just the ones from media? It was written originally as all, so we left it.
- Does this email need to come from Peter, or should it come from Kim? Again, it was originally written from Peter, so we left it.
