Subject: draft communications plan for the Indigenous Community Energy Symposium

Hi Emma, I apologize for the delay in getting this to you. The long weekend complicated my plan to secure speedy approval within the IESO!

Please review this plan and share it with whoever you deem appropriate within the Ministry. I don't know if it needs to go to the entire working group for review. (It has not gone to everyone on the IESO side...) Let me know if you have any comments, questions or changes. Many thanks!

See you in a couple hours.

Regards,
Jane

PS – although I mentioned the possibility of a news release during our last meeting, I was informed that was not consistent with how we've handled other events such as the Stakeholder Summit.
