Subject: Model for Ontario Fair Hydro Plan
Attachments: GA Financing - by RPP period 170404 (Ministry Original).xlsm

Please find attached the model we are using for the Ontario Fair Hydro Plan. Just want to check the date in which the fixed escalation applies to. The model we have has the fixed escalation ending November 2021.

Is that correct? Or should the model end the fix OFHP bills at the end of Nov 2020? That would be more reflective of 3.5 years. If that is the case our results will change.
