Subject: OFHP inflation cap query
Attachments: Consultation Draft - OFHPA Part II Regulation (IESO comments).docx

Hi Joyce,

Apologies for the delay in coming back on this.

The inflation cap is defined in section 5 (2) of the draft attached – this includes definition of CPI as the reference and the duration (which in the reg goes to Apr 2019 but should be assumed to run to 2021 as previously discussed).

Note that the above is still draft with finals due next week.

Let me know on any further queries.

Thanks,
Robin
