Subject: OEB GA Data for February 2018
Attachments: OEB data GA 2018.xlsx

Hello,

Please find attached the Global Adjustment report for **February 2018**.

Please note that the February 2017 rate of **\$81.67/ MWh** (charge to the market) posted on the IESO website, is the correct Class B rate. The difference between the posted rate and the rate that you would calculate based on the report, is due to prior period adjustments of **\$5,053,280.44** (not included in the attached report).

Thanks,
