Hi John – Is the OPG announcement an event, or news release? Was the IESO invited? Or has OPG shared any materials with us?

I have some high-level KMs on the IESO's role in the FHP, but this announcement likely relates more to the public offering of shares, which became available Jan 22, 2018. Attached is the deck that describes how the trust is set up, it's marked up, but good background information.

Thanks John. Flagging for Kate as she's our internal expert on this content.

Kate – I believe you had some KM's for this. Perhaps you can share with John?
