Hi John,

The AG's comments on the IESO's change of accounting policy will come out with the Public Accounts either tomorrow or Thursday. This will likely lead to media inquiries.

The attached employee communication has been developed for Peter to send once they surface. As well, here is the latest version of the key messages that went to Board last week. Terry will be our spokesperson for this one, but please let Jordan and I know when inquiries come in and we can assist with the first draft of messaging since this issue is rather nuanced.

Let me know if you have any questions,

Kate
