Subject: Web Update: FHP Variance Account
Attachments: FHP key messages and QAs.docx

Hi Rob, Karla,

We're shortly going to be posting the variance amount related to the Fair Hydro Plan, on our corporate website. It will be posted here:

<http://ieso.ca/en/sector-participants/settlements/global-adjustment-for-class-b> and here:

<http://ieso.ca/en/power-data/price-overview/global-adjustment>

You'll see for the first month (July) the number will encompass the partial rebate granted for the months of May and June as well. Going forward, we should expect to post the variance related to the FHP at the same time as we post GA values.

Attached are the key messages and Qs and As (from Andrew Dow) I believe you've seen previously. We've also added some verbiage to webpages to explain the IESO's role in administering the account.

Please keep us informed about interest in this item and if any additional messaging materials are needed.

Thanks,
Kate
