Subject: FHP Web Edits

Hi Sandy, Chantelle,

I've been asked to take a look at the website to see where we might need some edits to reflect the changes to GA under the Fair Hydro Plan. Though we don't normally explain policy on our site, the FHP will require the IESO to under collect GA, amassing a 'debt' which will be sold to OPG – so we want to show transparency regarding our role in carrying it out.

I've identified a few pages where we'd like to make some changes in the attached. Could you please take a look at the attached and let me know if there might be other pages that should be updated? I will separately look at the [Understanding Global Adjustment](#) backgrounder with Settlements.

Once I hear from you, I'll circulate the proposed changes to Tina and Settlements to get their input and up the approvals chain in Communications to finalize the wording.

Let me know if you have any questions.

Thanks,
Kate
