Subject: RE: Posting of Description of IESO's Role in Administering Variance Acct under FHP

We will have the July's balance available in about two weeks. Just so you have an idea of the magnitude, as of June the balance in the variance account was \$247M which did not have the July 1 new rate or modifier applied. I suspect the deferral amount will be about \$500M for July.

As of	OFH/RPP Variance (in millions)
31-May-17	\$110
31-Jun-17	\$247

Regards,

Jeannette Briggs Director, Settlements - Corporate Services

Subject: Posting of Description of IESO's Role in Administering Variance Acct under FHP

The description of the IESO's role in administering the variance account under Fair Hydro Plan has been posted to Settlement Process page: <http://www.ieso.ca/en/sector-participants/settlements/settlement-process>

A table reflecting the monthly amounts will be posted to a table (sometime after 10th business day of the month) to Class B Global Adjustment and Power Data/Price Overview/Global Adjustment under the GA Modifier paragraph.

Please advise if changes are required.

Thanks,
Sandy
