I think the lion's share of the credit goes to you Kate. Great work.
Thanks,

Subject: Fair Hydro, Estimates, etc.

I wanted to pass on my appreciation for a job well done over the past few weeks (or is it months) on the Fair Hydro Plan communications and preparation for Estimates. We represented ourselves extremely well on this. There was a lot of work involved under a very tense environment. All of you responded with professionalism and expertise that served this organization and our group well. Thanks for that.
