Subject: RE: Update on SCOPA

Hi Kate – I am fine with the friendly question change. Where is the 4:00 meeting tomorrow? I don't seem to have it in my calendar, but I expect I'll be in and can attend along with you. Perhaps we can regroup on some of the other points tomorrow?

Subject: Update on SCOPA

Hi Jordan,

Here's a recap of our meeting this morning.

IESO Friendly Q:

- Peter asked that the friendly question be directed to him. He will provide an short overview of the IESO and then handoff to Kim. I've updated the attached Q&A note to reflect this change. **Please have a look.** If you're okay with the attached, I'll update Kim, Peter, Terry, Bruce and David can send to Ministry.
- There's a ministry meeting tomorrow at 4pm to do a run-through on Chapter 2. Assuming you may be home tomorrow, David or I will plan to attend and will ask Ministry to direct the IESO friendly question to Peter.

Emails:

- Terry, Peter and Bruce want more comfort with the email timeline.

IESO run-through:

- Scheduled for Monday, Feb 26 at 11 a.m. at Adelaide.

Bruce's requests:

- 20 minutes worth of speaking notes he could read from for committee. **Can we discuss this approach?**
- Renewable capacity numbers and what's coming online – David will provide
- Copy of Feb 29 letter from Bruce to DM Imbrogno regarding two white papers. Kim sent this today.
- Copy of May 10 memo "Update on IESO's role in GA smoothing". Kim sent this today.

David, Anthy, please add anything I may have missed.

Kate
