Here is the comment from provincial controller....

Recall that their original memo didn't acknowledge that GASB allows for RRA, but I pointed that fact out to Shannon on yesterday's call with Suzie and Lee Anne.

There was also a joint study by AcSB and PSAB which concluded that RRA meets the element tests, and should be reported both on Public Sector entity statements as well as private sector f/s, and didn't require regulator independence. N

I need to chat with you about this. I am just boarding a plane but can we arrange to talk around 4?

Sent from my BlackBerry 10 smartphone on the Bell network.

Kaili,

Attached please find the report from Ernst and Young regarding the amortization of conservation costs. If you would like to discuss the contents after your review please let us know.

I appreciate your patience as we finalized this document.

Regards,  
Phil
