Kim,

Find enclosed the amended EL.

I made the following changes:

- Removed the transportation costs;
- Changed the reporting to "Our accounting advice will generally be communicated to you via oral discussions and, as required, supplemented by written materials to document/clarify salient matters and/or the results of our research and analysis"; and
- Added to the team "Bailey Church will act as the engagement quality control reviewing partner." since we now have written deliverables".

Regards,

Michel
