Steen, while we want to make you folks happy, that might be a stretch, however a verbal update may be possible?

Hi Kim: hope you're keeping well.

I believe you've just been invited to tomorrow's implementation meeting re Ontario's Fair Hydro Plan.

I know its last minute, but we're hoping that you could "walk-in" a couple of pages that provides an update on IESO key streams of work and deliverables.

It would be really helpful. Thank you, Steen
