Cindy, just wondering if there is value in checking in re the IESO change in accounting policy? We are in the process of revising 2016 and restating 2015, with a plan for IESO board approval third week in March. Our statements are usually filed with the auditor general in May. We have had discussions internally and with the ministry on whether we should be more proactive in our approach this year around our statements. Of course your opinion is welcomed. If a phone call or meeting is warranted let me know and we can arrange. Thanks
