Subject: Ontario Fair Hydro Act Report

Kim,
Attached please find a first draft of the proposed report on Fair Hydro risks – to be distributed to Bruce for Monday's discussion and thereafter to the Board and AC.

Please feel free to share with Jeannette and Anthony for further feedback.

Alexander, THANK YOU for the speedy turnaround in drafting this.

We will stand by for further comments from you, Kim. We are also available for a call, if that's more efficient.

Thanks,

Lia
