Terry -

Tomorrow's LTEP meeting with the DM and CoS is focused on conservation. Please let me know if you're able to attend – note, Mike Lyle will also be in attendance. The attached product mirrors the one shared in January, with only minor wording changes noted throughout.

Please let me know if you have any questions.

Hi Anthy,

Attached are the first two decks for tomorrow's briefing with MO. We'll be discussing the briefing deck being developed for PO as well, and I'll circulate that later today.

Thanks,
Hillary
