For today's call at 2:30 pm Eastern we will be focused on two specific policy items as per the agenda below. Call-in details at the end of the invite. Please also note I'm sending a separate email with this information and attachments just to make sure everyone can access materials (apologies for the duplicates)

3. Other items

- if time allows we can discuss other items, such as the Fair Hydro Act

Looking forward to our call

Richard
