Subject: FW: Block Heater Timer Program - Business Case Submission
Attachments: Block Heater Timer Program Promo Overview.docx; BHT Business Case_Final March 22 2017.xlsx; IESO CDM EE Cost Effectiveness Tool_v3_TBH-BHT Program Mar 22-2017.xlsm

Good morning.

Attached is a business case for new regional program submitted by Thunder Bay Hydro. The proposed program is a residential Block Heater Timer Direct Install program. Please review the attached particularly the sections assigned to you as per the Review Sheet of the business case. Below is the timeline for IESO's internal review to meet the 20 day timeline. I will send meeting invites for April 13 and April 20 shortly. Please let me know if you have any questions.

Application received – March 24

MT assigns sections to internal review team – March 30

Team review – March 31 to April 13

Internal team meeting – April 13

Management review and approval – April 20

Decision send to LDC - April 25

Kathleen

Subject: Block Heater Timer Program - Business Case Submission

Hello Kathleen,

As per our recent consultation, please find attached the business case submission spreadsheet for the Block Heater Timer program. In addition to the business case format, also find attached the associated cost effectiveness tool, as well as a brief document containing the most salient elements of this program's marketing plan.

Please let me know if you should have any questions,

Thank you
