Subject: Draft deck for Dutton Dunwich Sept. 27
Attachments: TY Dutton-Dunwich Council.pptx

Hi, Terry. As discussed, attached is a draft deck for Dutton Dunwich. The council has asked for it to be submitted by **Sept. 21.**

Andrew is also preparing additional notes for you on LRP in particular.

We are not sure how long you have but I didn't include the municipal energy profile research for length.

If it needs to be shorter, I would suggest you remove one or all of Ontario at a glance, Ontario demand or Electricity production slides.

Please let me know if you want to discuss.

Thanks.
