All I have is what Alexander sent me yesterday. Nothing from Michael Boll yet and he's not here.

Thanks everyone. I've deleted the 12:00 – 1:00 pm reference to the agenda start time and the book is now viewable to all.

Yes that is what we arranged. The AC will immediately follow upon the Board meeting. I just wanted to be sure that at yesterday's ELT there was not a decision which would impact moving forward on the Fair Hydro Plan.

Perhaps the AC agenda can indicate after the timing that "Meeting will commence immediately upon the conclusion of the special board meeting".

thank you all.

John,
I believe the timing was based on comments you made in one of your emails that indicated that collectively, both the Board meeting and the Audit Committee meeting could be conducted within the same hour.
Let us know if further clarification is required.

I see the timing is listed as 12 til 1pm. Is this intended to supplant the special board meeting regarding approval of the Fair Hydro implementation agreements or to follow immediately upon the conclusion of the Board meeting? I am ok with listing it at noon, but wanted to clarify the intentions.

Good morning,

The book has been made viewable to John and Kim only at this point. John, will you have a moment to review this morning? Alternatively, if I can just make the book viewable to all, please let me know.

Thanks,

Margaret
