Is this something that you have already addressed?

Hi John – is this something someone in Legal is taking over? (I can't recall.) Thanks!

Do we need an amendment if we change the wording on the invoices to contain the message below?

Susan,

I believe we will need an amendment to our to our billing requirement exemption letter attached as it deals with ORECA (8% reduction) only. See slide 7 where it is being suggested what needs to be on bills and as an inserts:

"Ontario's Fair Hydro Plan substantially lowers electricity bills for typical residential consumers. This includes the eight per cent rebate introduced in January 2017, and builds on previous initiatives to deliver broad-based relief on all electricity bills."
