**Her Majesty the Queen in Right of the Province of Ontario as Represented

OF THE SECOND PART

WHEREAS pursuant to (i) the *Ontario Fair Hydro Plan Act, 2017* (the “Act”), (ii) the regulations made pursuant to the Act; and/or (iii) any agreements relating to the implementation of the Act or regulations, including with any financing entity (as defined in the Act), (the Act, such regulations and agreements, collectively referred to as the “Fair Hydro Plan”) the Corporation will determine the IESO deferral (as defined in the Act), which it will record in a variance account, and which pursuant to the Act will be a regulatory asset;

1. The Province agrees to **[pay/loan]** **[NTD: to discuss whether this would be a non-recoverable payment by the Province, or a loan. If a loan, the IESO would need the ability to recover repayments from ratepayers. If it is not a loan, but is a non-recoverable payment, presumably it would reduce the balance in the IESO's variance account.]** the Corporation all amounts required by the Corporation to pay all of its liabilities as they become due.
