Subject: RE: CIPA Amendment - rate mitigation

I checked my filing list and they are not listed. At a glance, these do not look familiar to me.

Robert, I cannot find the signed versions of these schedules. Do you have copies of them? I'm fairly sure we did sign the Green Bank schedule, but not as sure about Fair Hydro.

thanks

Hi Michael,

My sincere apologies for the delay. The last two weeks have been quite busy and I seem to have lost track of this.

My comments on the Schedule 2 CIPA are attached. Please note that I have separated out the GreenON work into a separate schedule 2. This is because I understand from Counsel here that worked on the Master CIPA that each project must have its own Schedule 2.

I have not included Tennant per your email below. Please let me know if you have any comments on the revisions I have made.

Thank you,

Harkamal

Hi Michael,

Apologies today has been a crazy day for me. I'll remove Tennant from the schedule and get back to you with my other comments on Monday.

Best regards,

Harkamal

Hi Harkamal,

Sorry, I'm just getting to this now. I'm told by Sejal Shah (who worked on the other NAFTA matter) that we should set up a specific CIPA for the Tennant matter. I'm fine if you remove that project from the schedule. If there are other items you would like to discuss, I'm generally around tomorrow. Please let me know a time.

Regards,
Michael

Hi Michael,

I've been asked to assist with the CIPA amendment as Dan is caught up with other things on rate mitigation. I was wondering if you would have some time to chat about this particularly with respect to the inclusion of Tennant in under CIPA.

Please let me know if you'd be available for a short discussion today? I am available anytime between 12 and 3:30.

Thank you,

Harkamal
