

- 1.6 The OPA shall, in consultation with Distributors, develop a cost recovery and performance incentive mechanism for Distributors for making Province-Wide Distributor CDM Programs and/or Local Distributor CDM Programs available to customers in their service areas. For each Province-Wide Distributor CDM Program and Local Distributor CDM Program within the Distributors' CDM Plan, Distributors shall be provided a choice of the following cost recovery mechanisms:
- i. **Full Cost Recovery:** The Distributor shall be paid the full amount of prudently incurred costs for the administration and implementation of its Province-Wide Distributor CDM Program and/or Local Distributor CDM Program, subject to the Distributor achieving a specified minimum level of its Distributor CDM Target. The OPA shall report back by July 1, 2014 with recommendations on administrative or financial consequences of Distributor underperformance, should it occur. A tiered performance incentive mechanism shall be made available to Distributors with incentives beginning to accrue once a Distributor achieves 100% of the portion of its Distributor CDM Target allocated to the full cost recovery mechanism, in amounts determined by the OPA in consultation with Distributors.; or
 - ii. **Pay for Performance:** The Distributor shall be paid for the administration and implementation of its Province-Wide Distributor CDM Program and/or Local Distributor CDM Program, corresponding to the portion of the Distributor CDM Target allocated to the pay for performance mechanism, based on a pre-specified value for each verified kilowatt hour of electricity savings achieved, in amounts determined by the OPA in consultation with Distributors.
