

11.2 Termination on notice

- (a) Either party may terminate this Agreement at any time on 90 days' prior written notice to the other party where there is a change in the laws and regulations that makes this Agreement fundamentally inconsistent with such laws and regulations as altered.
- (b) If notice of termination is given under section 11.2(a) or article 12, the IESO will continue to fund Eligible Expenses that have been paid, are payable or have accrued under the CDM Plan to the date of termination and will fund Participant Incentives and pay pay-for-performance incentives of the Programs under existing Participant Agreements that continue in effect following termination.
