You are right, it says : 2.1(c) "The Transferor may, no more frequently than monthly and no later than the 8th Business Day of any calendar month, offer to Transfer to the Issuer a Specified Portion of the Regulatory Asset by providing to the Issuer a Transfer Notice..."

Anthony,

In light of the recent information, I doubt you will be sending another transfer notice to FHT. However, if you were contemplating it, please don't send another transfer notice until we have had an opportunity to discuss the legal issues, including whether any reps and warranties can still be provided.

Thanks
Michael
