Subject: RE: Reminder to identify and submit internal documents changing for Baseline 37.1 - June 7, 2017

Okay. I expect we will be receiving some instructions with respect to the Fair Hydro Plan shortly as the change in RPP is set for May 1st and will be on the invoices run in June.

Let's try to keep each other up-to-date as much as possible as requests come in.

Thanks, Susan

None for me, I haven't received anything from settlements.

Regards,
Alefiya

Subject: Reminder to identify and submit internal documents changing for Baseline 37.1 - June 7, 2017

April 3 - 28 is the notification and redline document submission period for internal documents changing for Baseline 37.1.

If you are revising, adding new, making obsolete or superseding a document please do the following:

- Notify IESO Baseline Management (BM) of document revisions using the 'Baseline Registry' tool on the Baseline Management webpage.
- Notify BM even if your document is not ready for posting, this includes documents/forms made obsolete or superseded.
- Your revisions are communicated within the IESO through the Internal Baseline Plan.
- Provide redline revisions to Baseline Management no later than **Friday, April 28, 2017**.
- Documents are posted on the internal Pending Changes page for review and impact assessment.

Other Key Dates to Remember

May 1 - 5 Impact Assessment period (baseline plan and documents posted to Internal Pending Changes web page)

May 8 - 19 Incorporate comments and submit for legal review

May 23 – Jun 2 Initiate signoff through Citadel. **If unavailable during this signoff period, assign a delegate to approve on your behalf using the 'Proxy' option in the workflow.**

 The Microsoft Outlook 'Out of Office' feature will not trigger the Citadel proxy. If you need assistance in setting this proxy, speak with the BIRM staff.

Jun 7 Publishing of Baseline 37.1

If you no longer are responsible for documentation, notify Baseline Management so the distribution list can be updated.

Thanks,
Roberta
