Hi Marina, can you give me an update on the QA Testing? How did it go? Did you successfully create an invoice?

Hi Marina,

Steven will set up "OPG Trust" in the CDMS QA and Accenture is working to enhance the Invoice UI for "VAR" process level.

We will keep you posted.

Thanks,

John

Hi there,

Is the system ready for me to test an invoice yet?
Please let me know of anything you need me to do.

Thanks!
Marina
