Subject: RE: accounting policy - smart metering charge
Importance: High

Hi Natalie,

Attached are updated draft FS and Notes.

Please review and let me know of any changes, before I finalize the Draft version, this morning.
As per Susan, we are keeping with the wording below.

Regards,
Mansoor

Subject: accounting policy - smart metering charge

We have been asked to add an accounting policy to the notes of our financial statements for the smart metering charge. This is what I believe should be included but please review for accuracy.

"The Smart Metering Charge that is earned by the IESO is based on an approved rate for each installed smart meter in the Province. Revenue is recognized in the year as it is earned."
