Thank you for the very quick turnaround Mansoor. In addition to what you passed along, I will ultimately need data for Jan and Feb 2018 (but understand that Feb information is not available yet). Any chance you can pass along the Jan data now and Feb when available?

Anthony

If you are I verified all of them and they are correct based on information we received from Ryan Scully's team. Feel free to touch base with him about it. These numbers have also been verified with Settlements.
