Subject: Ontario Fair Hydro Plan Act Message - McMaster University
Attachments: Re: Ontario Fair Hydro Plan Act Message

Marina,

Similar to OnTel, McMaster University will also be receiving a rebate under the Ontario Rebate for Electricity Consumer. They too will need to have the message:

You have received your monthly IESO invoice inclusive of Ontario Fair Hydro Plan. Ontario's Fair Hydro Plan substantially lowers electricity bills for typical residential consumers. This includes the eight per cent rebate introduced in January 2017, and builds on previous initiatives to deliver broad-based relief on all electricity bills.

Regards,
