All –

In preparation for next Monday's off-site ELT strategy session with third-party facilitator Dr. David Weiss, below please find a slide deck which provides overviews, agenda and some key questions to consider prior to the session. Kindly come prepared to share your responses to the key questions.

In addition, the current list of 25 enterprise risks (including 9 key risks) thus far identified by ELT are attached for your reference and will be referred to during the session. Also attached is a short article re: decision-making for complex situations that Dr. Weiss thought might be helpful for you to review in advance.

As a reminder, the session will be taking place at Vantage Venues (formerly St. Andrew`s Club & Conference Centre) commencing at 8:30am. Expected attendees include ELT, Glenn, Julia, Lia, Alexander, Darryl, Darren, Tam, me and an observer from The Niagara Institute.

Please let me know if you have any questions prior to Monday.

Many thanks.
