Hi Kim/Dianne. We need to attach Peter's electronic signature to the attached tax return (I believe there there are two places for signature) and then rerun the firm to KPMG for filing. Natalie has reviewed the firm and has confirmed that it is correct

I appreciate your assistance with this matter. Thank you.

Susan – enclosed are the tax filings. I managed to get them done today. The “Govt” copy is the E-file authorization we need signed back from IESO in order to file the return.

We have not prepared hard copies – not sure if you want to from us. You can simply print from these files what you need if you like.

Matt.
